Metrology is the science of measurement. It establishes a common understanding of units, crucial in linking human activities. Modern metrology has its roots in the French Revolution's political motivation to standardise units in France, when a length standard taken from a natural source was proposed. Sat, 09 Feb 2019 12:28:00 GMT Metrology - Wikipedia - The Annenberg Space for Photography is a cultural destination dedicated to exhibiting photography in an intimate environment.
